

ASCE CONSTRUCTION INSTITUTE
Intl. Legal Affairs and Dispute Resolution Workshop
Cyprus University of Technology
3-5 August 2020

Call for Papers

Workshop Theme: Legal Affairs and Dispute Resolution in Engineering and Construction

Organizer: This international workshop is organized by the *Journal of Legal Affairs and Dispute Resolution in Engineering and Construction*. Further, this workshop is held in conjunction with an ADR Workshop on the same dates by the Chartered Institute of Arbitrators, Cyprus (CI Arb, Cyprus), and also in conjunction with the 3rd European and Mediterranean Structural Engineering and Construction Conference (EURO-MED-SEC-3), August 3-5, 2020. Participants to the Intl LADR Workshop can attend sessions of the ADR Workshop and vice-versa.

TOPICS: High quality original papers referring to legal precedents and presenting arguments from a legal perspective are desired. All topics within the scope and areas of interest of the *Journal of Legal Affairs and Dispute Resolution in Engineering and Construction* are acceptable that pertain to areas of engineering and construction. These include, but are not limited to -

Contract law and interpretation; construction administration; claims analysis, defense, and litigation; design and construction disputes, negotiation, mediation, arbitration, and alternative dispute-resolution systems and applications; professional liability and negligence; public bidding law and regulation; tort and insurance law; workers' compensation; environmental law and compliance; acts and statutes governing design and construction of public or private projects; state and federal hazardous waste law; maritime, coastal, and ocean law; real estate development and construction law; product liability; labor and employment law; administrative law; government contracts; corporate and bankruptcy law and regulation; intellectual property law; land-use law; ADA and OSHA compliance law and regulations; ethical violations giving rise to liability; and the teaching of law to engineers and construction managers.

DEADLINE and METHOD FOR SUBMISSION OF ABSTRACTS and MANUSCRIPTS

The Intl. LADR Workshop will consist of oral presentations and full-length articles. Interested authors are invited to submit **200-word** abstracts by **Dec 11, 2019** for peer-review and approval. Please submit abstracts to

https://www.conferencereviewmanager.com/International_LADR_Workshop_2020/.

Approved abstracts shall be allowed to proceed to full article submission. In general, all scholarly articles for the *Journal* have upper and lower word limits of **10,000 and 4,500 words**, respectively. Full papers shall be submitted through the ASCE JLADR editorial management system, <https://ascelibrary.org/journal/jladah>. Please indicate clearly in the submission's opening pages that your article is for the **"2020 Intl. LADR Cyprus Workshop."**

All approved papers are expected to be presented at the workshop. Presented papers will be published in a special collection of the *Journal of Legal Affairs and Dispute Resolution in Engineering and Construction*.
